Craig Clunas held the chair of art history at Oxford from 2007 to 2018, the first scholar of Asian art to do so. Much of his work concentrates on the Ming period (1368-1644), with additional interests in the art of 20th century and contemporary China.

### Professor Craig Clunas | The Department of History of Art

The Oxford History of Art is a major series of authoritative and beautifully illustrated books by art historians. The last thirty years have witnessed a profound change in the study of art. While artists have employed startling new techniques to test old assumptions, a new generation of scholars has rejected formal approaches to breathe fresh ...

### Oxford History of Art - Oxford University Press

Anything designed by human beings exhibits visual qualities that are specific to the place and period in which it originates. History of Art aims to arrive at a historical understanding of the origins, meaning and purpose of art and artefacts from a wide range of world cultures, asking about the circumstances of their making, their makers, the media used, the functions of the images and ...

### Art in China - Craig Clunas, Senior Lecturer in Art ...

My only complaint is that there is only one book on "Art in China" in the Oxford History of Art series, while there are at least 30 on Western art in the same series. One book covers Western art for a 25-year span (1920-45), but 5,000 years of high art in China--in painting, jade, ceramics, lacquer, porcelain, calligraphy and sculpture--gets only a single volume!

### Art in China (Oxford History of Art) book by Craig Clunas

China has a recorded history of 3,500 years. The range of Chinese achievements in philosophy, literature, art, science and technology compares with those of a whole continent rather than a single country. Students learn Classical Chinese, the medium through which traditional Chinese civilization has been transmitted, and the contemporary language, which gives access to the world's most ...
