Blood and Guts: A Short History of Medicine: Amazon.co.uk ...

Blood and Gore was written in numerical sequence following Stanley's bizarre numbering system from #1 to #608C. Fortunately, some of Stanley's efforts fit into categories, and Blood and Gore treats these planes as a separate listing: e.g., the Bailey line of planes, the transitionals, the Bed Rocks, etc.

But with all due respect to O! Blood and Guts ("our blood and his guts," as Patton's men used to complain), that's misreading history. The Maginot Line arose neither from French ...

Your History Book Is Wrong: Why France's Maginot Line ...

Blood and Guts spans centuries, from Galen in Ancient Rome to modern hand transplant surgeons. Despite the pop aspects to Blood and Guts, this is also a smart read. The author trained for 5 years to be a physician, and I think this makes Blood and Guts more intelligent than most journalistic fluff.
