Dairy farming, I knew, had a very, very large room for improvement. A Very Solid Demand: A lot of businesses and entrepreneurs would consider a 'demand' for something a good enough reason to get into any project. But for me, dairy farming is not only the demand of the market, but also a need. People need healthy, quality milk (and meat).

## **Dairy Farming in Pakistan - Momekh**

Dairy farming business can be divided into three main systems. Each system will have its very own set of processes, milestones and benchmarks. Dividing a project into smaller projects (or systems) helps you focus on each, without feeling overwhelmed. In dairy farming especially, it is very easy to become overwhelmed.
