5.0 out of 5 stars University of Chicago's Everyday Mathematics program Reviewed in the United States on June 15, 2011 I think the University of Chicago's Everyday Mathematics program is excellent. I attended an introduction and demonstration of it for parents when it was adopted by our school system and was very impressed.

My grandson was struggling with 5th grade math so I ordered the book he was using in school and a teacher's reference to help me help him. It was very helpful to be able to review the lessons on the weekends. He is now in the 6th grade and doing much better in math. We still use the Everyday Mathematics reference book as a resource.
