### Evolutionary Enlightenment Quotes by Andrew Cohen

What Is Evolutionary Enlightenment? "Evolutionary enlightenment is about the ecstasy that compels us to create the future. And it's not a future that's going to unfold by itself while we go back to sleep. It's a future that we forge the hard way through direct, conscious, intentional engagement with the life-process itself."

### What Is Evolutionary Enlightenment? | Andrew Cohen

The study of the teaching of Evolutionary Enlightenment has been changing my life more than any other thought-system or knowledge, because it is giving it an infinitely larger context and deep meaning and purpose. I can say that this book is the clearest and most accessible expression of this radically new philosophy and practice yet.

### Evolutionary Enlightenment: A New Path to Spiritual ...

Evolutionary Enlightenment. According to Cohen, "traditional" enlightenment is the realisation of the transcendental aspect of God, and it often goes hand in hand with the realization that the world is an illusion. [citation needed] Cohen says that he has discovered a different form of "enlightened awareness," which he claims to be unique.
