In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

### Financial Accounting By Meigs 11th

Meigs and company explain the accounting concepts just as thoroughly as Hongren but with about half the verbage. I breezed through my summer course and got the highest grade in the class. This book is an excellent teaching tool for beginners and would also make a great reference guide for more advanced students.
