Amazon.com: Financial Literacy for Managers: Finance and ...

The goal of Financial Literacy for Managers: Finance and Accounting for Better Decision-Making isn't to teach readers how to compile the financials. Leave that to the accounting and finance staffs, the CPAs, and the CFOs; they know all the rules and regulations. Instead, my goal is to teach you how to use and interpret the data they give you.

How Finance Expert Winchester Hopkins Advocates for ...

Financial Literacy Training. It is hard to improve gross profits, return on assets, or free cash flow, if key employees don't know why each of these measures is important and how the decisions they make impact them. It is also likely that if your employees are not practiced in working in cross-functional teams to negotiate complex financially-based decisions, that is holding your organization back, as well.

Financial Literacy Training for Non-Financial Managers

By shoring up your financial literacy, you will become more confident and comfortable talking about topics of a financial nature. This in turn will improve your credibility, as many of your financial decisions will involve the ability to process accounting information.
