Does The Soul Exist? Evidence Says 'Yes' | Psychology Today

The soul can do everything the spirit can, and the spirit can do everything the soul can. Those who advocate trichotomy face a difficult problem defining exactly what the difference is between the soul and the spirit. If Scripture clearly supported the idea that our spirit is the part of us that directly relates to God in worship and prayer ...

In The Soul of an Octopus, Sy Montgomery recounts her friendships with several octopuses—complex, spirited creatures who make remarkable connections with humans. She explores their almost alien intelligence, one that is of the Earth but so different from our mammalian and human consciousness that it might not be out of place in another world.
