### Functional Programming, Simplified: (Scala Edition)

Hi, my name is Alvin Alexander. I wrote the Scala Cookbook for O'Reilly, and this is the free, online version of my new book about functional programming (FP) in Scala. The book is written as a series of lessons, with each lesson building upon the previous lesson to build up your Scala and FP knowledge base. I originally named the book, Learning Functional Programming in Scala, but later renamed it to Functional Programming, Simplified.
