How To Use Auto Levels - NewEnglandLaser

Most automatic gearboxes will let you select between 'P' (for park), 'R' (reverse), 'N' (neutral) and 'D' (drive). Park should only be used when you're stopped and getting out of the car. This 'locks' the transmission, preventing it from rolling away (but you still need to apply the handbrake when parked as well).

How to drive an automatic car - a dummy's guide | RAC Drive

Even though automatic withdrawal has its benefits, it's not a one-size-fits-all solution. The Verdict. Whether you pay your bills manually or use automatic withdrawal, you still need to be intentional about making and keeping a budget. This simple habit will keep you on track and out of trouble.
