Mini Cooper R-50 2006 Under The Dash Fuse Box/Block ...

Locating Fuse Box. There are two fuse boxes in the Mini Cooper: one under the hood and the second one is inside the car, by the driver's side footwell. Each car type distributes its fuses differently, so the fuse location is in a different place from one model to the next. The fuse box in the engine compartment is located to the right of the battery; you just have to lift the battery cover to reveal it.
