Reggae Routes : The Story of Jamaican Music by Kevin O ...

Reggae Routes really is the new bible of Jamaican music. It makes every other book ever written on reggae look superficial - not surprising considering it's the only one ever written by someone born and bred in Jamaica. But it's more than just a great reggae book, it's an insightfull look at Jamaica and popular music in general.

Jamaican music is amongst the best travelled in the world of music. Reggae, in particular, was one of the first genres beyond Anglo-American popular music to become truly global and has since captured the imaginations of musicians and listeners around the world, establishing itself as one of only a few rivals to Anglo-American popular music on an international scale; a feat all the more ...
