Font - APA Style

Plex is, not surprisingly, a thoroughly corporate font that aims for and achieves a bland neutrality suitable for most research papers. John Baskerville originally designed this typeface in the 1850s, employing new techniques to make sharper contrasts between thin and thick strokes in the letter forms.

What Font Should I Use? - Dr. Mark Womack

A short essay or research paper requires no Table of Contents. If your written report or research paper is extremely long, it may be helpful to include a Table of Contents showing the page number where each section begins. For those writing a lengthy document, i.e. a book, here is the suggested order for placing items in a Table of Contents:

Format for a Research Paper - A Research Guide for Students

A research paper is an expanded essay that presents your own interpretation or evaluation or argument. When you write an essay, you use everything that you personally know and have thought about a subject. When you write a research paper you build upon what you know about the subject and make a deliberate attempt to find out what experts know.

Research Paper Writing Help Service

A research paper does not normally need a title page, but if the paper is a group project, create a title page and list all the authors on it instead of in the header on page 1 of your essay. If your teacher requires a title page in lieu of or in addition to the header, format it according to the instructions you are given.
