The Foster Report is a 1971 report titled Enquiry into the Practice and Effects of Scientology, written by Sir John Foster for the government of the United Kingdom, regarding the Church of Scientology. The report made its case with L. Ron Hubbard's own words and reprinted a number of internal Ethics Orders. It concluded that it would be unfair to ban Scientology outright, but asked for ...

Foster Report - Wikipedia

N Y Health Hypnosis & Integrative Therapy uses Ericksonian hypnosis, which is the art of using meditative techniques and language to help a person move forward. Instead of "direct suggestion," which most of us resist, this method helps people get in touch with that part of themselves that wants to change and quiets any thoughts that get in the way of making that change.
