Sexual addiction, also known as sex addiction, is a state characterized by compulsive participation or engagement in sexual activity, particularly sexual intercourse, despite negative consequences. Proponents of a diagnostic model for sexual addiction consider it to be one of several sex-related disorders within hypersexual disorder.

Sexual addiction - Wikipedia

The ultimate goal in recovery is to be happy and free -- free to live life boldly and unafraid, to embrace others and the world around you without the burden of addiction. There is a whole world out there waiting for you to shine your light on it and, through brutal honesty and seeking help, it's possible.

7 Signs of Addiction | HuffPost Life

A sex addiction is officially known as an 'intimacy disorder'. The key symptom of this disorder is an inability to maintain a normal intimate relationship with others. Further, this disorder commonly masks other mental illnesses such as depression, anxiety and low self-worth. Many sex addicts are also addicted to drugs and/or alcohol.
