Social conflict in communities impacted by tourism

This study primarily employs Coser's* social conflict theory for a discussion of tourism development in Chinese communities. The study provides a comprehensive application and analysis of Coser's construct of conflict as functional (as well as dysfunctional) as it relates to the imposition of tourism on communities.

Investing in Communities Affected by Conflict and Crises

Low cohesion in a society, on the other hand, is often characterised by social tension and/or fragmentation, conflict and negative feelings like resentment, anxiety, perceptions of threat among members of the community (Guay, 2015; OECD, 2011; Stanley, 2003).

Given the multifaceted nature of a community's social life and considering data availability, we look at a range of selected manifestations of social cohesion: perceptions of safety within the community, presence of formal and

relationship wherein action is intentionally oriented to carry out the actor's own will despite the resistance of others.

Social conflict - Wikipedia

Social conflict theory is a Marxist -based social theory which argues that individuals and groups (social classes) within society interact on the basis of conflict rather than consensus. Through various forms of conflict, groups will tend to attain differing amounts of material and non-material resources (e.g. the wealthy vs. the poor).

Social conflict theory - Wikipedia

It is the effort made when the conflict has already started, to minimize its destructive impact Conflict resolution refers to the deliberate efforts made at resolving disputes for peace and stability of the warring communities. It brings a conflict to a final end as it ensures that all parties to the conflict are satisfied with the settlement.

Social Studies - Causes and Consequences of Conflict

The first step of understanding how to deal with conflict in your community is to be able to identify the cause or source of the friction. Generally, conflict will arise either out of conflicting personalities amongst your community's membership, be related to common difficulties associated with the usage of online communication tools, how your membership go about achieving their goals, or the members' perception of you as a community manager, your company or the online space you've provided ...

Conflict theory states that tensions and conflicts arise when resources, status, and power are unevenly distributed between groups in society and that these conflicts become the engine for social change.

Overview of Sociology's Conflict Theory - ThoughtCo

Impact of Community Peacebuilding. Community peacebuilding is both a social and structural process. It is a participatory, bottom-up approach, founded on the premise that people are the best resources for building and sustaining peace. It posits that the promotion of peace must be undertaken not only at the international and national levels but also at a local level, with families, tribes, and communities, where disputes can potentially escalate to violent conflict.
