It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

### **The Feminine Mistake Are We**

The Feminine Mistake will inspire women to accept the challenge of figuring out who they are and what they want to do with their lives in addition to raising children. Not since Betty Friedan has anyone offered such an eye-opening and persuasive argument for why women can -- and should -- embrace the joyously complex lives they deserve.

Our culture programs women to believe that they can depend on a man to support them -- the classic feminine mistake -- and fails to explain how often that alluring promise is betrayed, whether by a change of heart or a heartless fate. Naively, I assumed that once women were offered more accurate information, they would be eager to get it.
