The Happiness Project Gretchen Rubin

The Happiness Project synthesizes the wisdom of the ages with current scientific research, as Rubin brings readers along on her year to greater happiness. In fact, Rubin's "happiness project" no longer describes just a book or a blog; it's a movement.

The Happiness Project - Gretchen Rubin

The Happiness Project is the engaging, relatable and inspiring result of the author's twelve-month adventure in becoming a happier person. Written with a wicked sense of humour and sharp insight, Gretchen Rubin's story will inspire readers to embrace the pleasure in their lives and remind them how to have fun.

The Happiness Project: Rubin, Gretchen: 9781443414562 ...

Thus, her methodical (and bizarre) happiness project: spend one year achieving careful, measurable goals in different areas of life (marriage, work, parenting, self-fulfillment) and build on them cumulatively, using concrete steps (such as, in January, going to bed earlier, exercising better, getting organized, and "acting more energetic").

The Happiness Project: Or, Why I Spent a Year Trying to ...

The Happiness Project is Gretchen Rubin's one year experiment on becoming a happier woman with simple daily action and without crazy changes such as quitting jobs, moving to another continent or giving up all material possessions.

The Happiness Project: Summary in PDF | The Power Moves

Author Gretchen Rubin dives into the stunt genre (where the author does something for a year and then writes a clever book about it) with a project on living happy for a year. Sitting on the bus one day, she realizes her life is zipping along and wonders if she can't make her days happier, and write a book about it and make some money.

The Happiness Project: Or Why I Spent a Year Trying to ...

A short comic, "Gretchen Rubin and the Quest for a Passion," created in collaboration with cartoonist Chari Pere.

Gretchen Rubin

"The Happiness Project Experience" gives structure and ideas to participants who want to create their own happiness projects. Over twelve months, with video lessons, live calls, expert interviews, and more, this tool helps you identify the resolutions that will bring more happiness to your life—and then helps you keep those resolutions.

Happiness Project Experience Waitlist | Gretchen Rubin ...

Take the pursuit of happiness from the abstract to the concrete. We can build a happy life only on the foundation of our own nature, our own interests, and our own values. Welcome! I'm Gretchen Rubin, author of four New York Times bestselling books, including The Happiness Project and The Four Tendencies. I created these online learning courses because I want to help you take the pursuit of happiness from the abstract to the concrete.

Gretchen Rubin

"Happiness is contagious. And so is The Happiness Project. Once you've read Gretchen Rubin's tale of a year searching for satisfaction, you'll want to start your own happiness project and get your friends and family to join you. This is the rare book that will make you both smile and think—often on the same page."

Amazon.com: The Happiness Project, Tenth Anniversary ...

Gretchen Rubin had an epiphany one rainy afternoon in the unlikeliest of places: a city bus. "The days are long, but the years are short," she realized. "Time is passing, and I'm not focusing enough on the things that really matter." In that moment, she decided to dedicate a year to her happiness project.

The Happiness Project: Rubin, Gretchen: 9780062105240 ...

Of everything I learned about habits and human nature from working on my book Better Than Before, the most challenging thing I figured out -- and the insight I'm most proud of -- is my Four Tendencies framework. (See below for a quick overview.) It took me months of rumination to make sense of everything I'd observed, and to fit it into a system that accounted for everything.
