The Road Ahead Bill Gates

The Road Ahead is a book written by Bill Gates, co-founder and then-CEO of the Microsoft software company, together with Microsoft executive Nathan Myhrvold and journalist Peter Rinearson. Published in November 1995, then substantially revised about a year later, The Road Ahead summarized the implications of the personal computing revolution and described a future profoundly changed by the arrival of a global information superhighway. Gates received a \$2.5-million advance for his book and money

The Road Ahead (Gates book) - Wikipedia

The Road Ahead is his bird's-eye view of the undiscovered territory on the information highway - an authoritative, thought-provoking, and very readable travel guide for the journey. In this optimistic and refreshingly realistic book, Gates looks ahead to show how the emerging technologies of the digital age will transform all our lives.

The Road Ahead: Gates, Bill: 9780670859139: Amazon.com: Books

The book was published in 1995 and is Bill Gates predictions of how the tech world will change in the next 10-15 years. He reiterated often that these were just his thoughts on where things would go and that many would probably not happen. What was fascinating about reading the book 20 years later, was all his predictions happened.
