### What's it all about? : philosophy and the meaning of life ...

A philosophy of this sort is critical in defining and directing the purposes, objectives and focus of a school. It should also serve to inspire and direct educational planning, programs and processes in any given setting. A philosophy of education may influence what subjects or topics are taught, how they are taught, and perhaps more importantly, the supporting beliefs and values that are taught, both implicitly and explicitly, within and around the core curriculum.

### Educational philosophy: what is it all about?

Philosophy uses the tools of logic and reason to analyze the ways in which humans experience the world. It teaches critical thinking, close reading, clear writing, and logical analysis; it uses these to understand the language we use to describe the world, and our place within it.
