The New Pornographers are a Canadian indie rock group formed in 1997 in Vancouver, British Columbia. Their sound is influenced by that of such power pop bands as The Cars and Cheap Trick, but they use much more sophisticated rhythms and chord changes.Although it was widely reported that the New Pornographers got their name from a pamphlet put out by televangelist Jimmy Swaggart condemning rock ...

The Body Says No — The New Pornographers | Last.fm

Our bodies know how to heal themselves, how to crave the things we need, and how to signal to us that we need to sleep. We need to listen to them, even when other voices- those of our bosses, family members, society- seem louder. Trust your body to say “no,” even when you want to say “yes.”. Posted byLeanne Sowul.
